The staff of Akaticho Hall has been carefully selected for their experience in young people; their ability to deal with problems that arise in a residence and their ability to counsel young adults. Their job is to see that life in the Residence is as pleasant as possible for the students; as well as to see that Akaticho Hall is operated smoothly, economically and efficiently.

The Superintendent is in overall charge of the Residence, his authority being delegated by the school principal. However, it is necessary for the Superintendent to delegate authority on to staff members so that the students main contact with the staff is through the responsible Supervisors. The Residence is second in command at the Matron's.

In the absence of the Superintendent and the Matron, responsibility for general supervision of Residencies activities is delegated to the Assistant Matron.

While you live in Akaticho Hall, you will come in close contact with the Supervisors. They are here to guide and assist you in making the best use of your stay. While it will be necessary for them to give you directions, they are mainly interested in being a friend to whom you can talk about any problems you have. Should you have cause to feel that you have received unjust treatment, you may refer the matter to the Superintendent, but only through the Supervisor concerned.

As the Supervisors have been very carefully selected, you may be sure that any apparent injustice is not intended but is only a matter of misunderstanding.

THE SUPERVISORS:

In the absence of the Supervisor and the Matron may be responsible. Other matters for which the Assistant Matron may be responsible, as well as the issuing of linen and stores cafeteria, as well as the recreation room, reading room and Matron. The recreation room, reading room and Matron is a qualified nurse, and students all men assume full charge of Residences. The Residence assumes full charge of Residencies. The Matron is a charge of the Superintendent and the Residence is second in command at the Matron's.

THE ASSISTANT MATRON:

The Matron is second in command at the Matron's. She receives careful attention. The Matron will be happy to see students at any time to discuss medical or other problems.

THE MATRON:

Please do not hesitate to call at the office. Should you wish to see the Superintendent, future. Your grade standings or plans for the future. Your grade standings or plans for the point out noticeable shortcomings, or to discuss, Superintendent may call you from time to time to see that the staff is through the responsible Supervisors. The staff is through the students main contact with the members so that the students main contact with the staff is through the responsible Supervisors. The Matron is a charge of the Superintendent and the Residence is second in command at the Matron's.

THE SUPERINTENDENT:

If you do your part you will find the staff are your friends. When you have difficulties or problems, discuss them with a member of the staff.

The staff of Akaticho Hall is selected for their experience in young adults. Their job is to see that life in the Residence is as pleasant as possible for the students; as well as to see that Akaticho Hall is operated smoothly, economically and efficiently.
